Professor Hakan Alfredson

Tendon Specialist and Orthopaedic Consultant

Professor Hakan Alfredson is a world renowned Tendon Specialist and Orthopaedic Consultant. Hakan gained his PhD in Sports Medicine from Umeå University in 1997. Here, he received an Associate Professorship in Orthopaedic Surgery and Sports Medicine in 1999, and a full Professorship in Sports Medicine in 2002.

Hakan has been a Doctor for the Swedish National Junior Ice Hockey Team, and for 8 years was Physician for Färjestad BK in Sweden. He has worked with numerous national and international Sportsmen and Women, and has had over 100 research articles published. Hakan was awarded the Distinguished Swedish Price in Sports Science 2003, and has received several best paper and best poster awards at international conferences.
