Dr Lorenzo Masci

Consultant in Sport and Exercise Medicine

'I feel privileged to work in an area of medicine where the main focus is to enable motivated people to get back to what they enjoy – keeping active and playing sport.'

After completing his orthopaedic residency and general practice training in Brisbane, Australia, Lorenzo moved to Melbourne to train as a Sports Doctor, completing this in 2006. Lorenzo has worked with elite teams in Rugby League, Australian Football and has been involved in the medical care of elite tennis players at the Australian Open Grand Slam in Melbourne, Australia since 2001. Lorenzo is currently a Team Doctor at Fulham Football Club.

Lorenzo also has a strong research interest, having completed a Masters in Sports Medicine, on stress fractures in the lumbar spine in young athletes. He also works closely along side Professor Hakan Alfredson, the tendon specialist, when he holds his clinics at Pure. Lorenzo is on the Specialist Register and is approved under PMETB regulations.
